

*To all our good neighbors who support us with donations... THANK YOU!*

*We provide job interview clothing to homeless and low-income males and females actively seeking employment plus we provide suitable work place clothing to those same individuals upon proof of employment. Each client receives personal consultation and attention so that we are able to provide the most fashionable yet appropriate attire for the type of jobs they seek. In addition, we provide clothing accessories, personal care products, cosmetics and hair cut vouchers...and a lot of ongoing support and encouragement.*
